Be a Part of the Market

By now I'm sure you've visited the market, but did you know there are so many ways you can be a part of it?

Market Volunteer

Do you have the gift of gab? Want to get some exercise without going to the gym? The market is always in need of volunteers to set up, tear down and work the market information booth. Come for the morning, the afternoon or stay all day. We can find something to fit your schedule and your talents.

Hip in Tipp

There are still a few slots open for your non-profit organization in our Hip in Tipp Booth. Reach an audience of people that care about their community and are interested in learning more about what you do.

Kidz Booth

The next time your children ask for just one more (insert game, toy or other item here), why not sign them up for the Kidz Booth to earn some extra cash? They can make and sell their own crafts and keep the money! There is no charge to use the Kidz Booth, but parental supervision and advance registration is required.

Market Vendor

Why let the kids have all of the fun? Our vendors are the best and we would love for you to join our Saturday family.

If any of this sounds appealing, please email us at info@tippecanoefarmersmarket.com and we'll get you started.

Sincerely,
Tippecanoe Farmers' Market

Vendor Spotlight

Week 7 Vendors

Have you been eyeing that basil, but haven't committed to bringing it home? What about those gorgeous earrings that would be perfect for your mother-in-law? Don't get me started about those darling aprons! Believe me, hauling all of those wares into the market is hard work, so do your vendors a

favor and lighten their load on the way home by taking a few things home yourself!
